

The Belvedere Cove Foundation

December, 2022

Dear friend of The Belvedere Cove Foundation,

Thank you for your past and current support of the ongoing work of The Belvedere Cove Foundation! The Belvedere Cove Foundation's primary mission is to provide financial assistance to worthy sailors so that they can learn to sail, teach sailing, have the opportunity to compete in major regional and international regattas, and enroll in sailing instruction and training programs to help propel them to the top of the sport.

Both 2021 and 2022 have been successful years for the Foundation and many Youth Sailors! In 2021, The Foundation awarded almost \$¼ million in grants, scholarships and awards. So far in 2022, there have been over 50 grants approved.

The Foundation is primarily funded by contributions from supporters such as you...we cannot do it without you! At this time, we are seeking funds available for year 2023 and your contribution would be greatly appreciated. Please make your 2022 gift to The Belvedere Cove Foundation a high priority; contributions are tax deductible to the full extent of the law.

I would like to take this opportunity to announce two new Directors to The Foundation's Board: Lucy Carrico Moody and Lucy Wilmot. Both will be dedicated Directors, bringing with them their own experience and perspectives. Please welcome both Lucys!

Enclosed is a return envelope for a check, or if you would like to make your contribution via credit card, scan the QR code on the enclosed donation form with your phone or visit our website www.belvederecovefoundation.org, and click the "Donate" button at the bottom of the home page.

Thank you for your consideration, and please accept the Board's best wishes for a healthy, safe and happy year 2023.

Good Sailing!
