

The Belvedere Cove Foundation

December, 2023

Dear Friend of The Belvedere Cove Foundation,

Thank you for your past and current support of the ongoing work of The Belvedere Cove Foundation! The Belvedere Cove Foundation's primary mission is to provide financial assistance to worthy sailors so that they can learn to sail, teach sailing, have the opportunity to compete in major regional and international regattas, and enroll in sailing instruction and training programs to help propel them to the top of the sport.

At this time, we are seeking funds to continue our work into 2024. Contributions received will enable us to continue to support a substantial number of young sailors year after year. We could not do it without you, thank you!

Thus far in 2023, the Foundation has awarded over 50 grants and 7 full scholarships; recipients include 2024 Olympic Team hopefuls, World Team members, National Team members, several competitive High School Sailing Teams and summer camp sailors.

As we enter our 40th year of giving, please make your 2023 gift to The Belvedere Cove Foundation a high priority; contributions are tax deductible to the full extent of the law. Enclosed is a return envelope for a check, or if you would like to make your contribution via credit card, visit our website www.belvederecovefoundation.org, and click the "Donate" button at the bottom of the home page.

Thank you for your consideration, and please accept the Board's best wishes for a healthy, safe and happy year 2024.

Good Sailing!

David Walker
President
