

# The Belvedere Cove Foundation

Dear Belvedere Cove Foundation Friends and Supporters,

The Belvedere Cove Foundation continues to be very busy supporting youth sailing, with your help! Thank you for your past and current support. Together we funded \$156,000 in Grants, Scholarships and Awards in 2024. This year we are on track for BCF Grants / Scholarships to reach over \$185,000.

As you may know, the largest single Grant awarded is to the SFYC Youth Sailing Program. Proceeds of BCF's annual Youth Sailing Fundraiser are dedicated to funding grants for this program. Through the success of this year's 2025 fundraiser, we provided a Grant of \$120,000 this year... fantastic!

All other Grants and Scholarships throughout the year are primarily funded with your important and generous end-of-year donations. Thank You!

The BCF recently assisted The San Francisco Yacht Club Sears Cup Championship Team to attend the Youth Sailing Champions League Finals in Altea, Spain... the first American Youth Team to ever do so. They sailed exceptionally well and achieved a podium finish with a second place in tight racing... very impressive!

The BCF has funded 40 additional Grants, Scholarships and Awards to deserving youth sailors and teams this year. At this time we are seeking funds to continue our work in 2026. Contributions received will enable us to support our young sailors, the future of sailing!

Enclosed is a return envelope for a check, or for credit cards please visit our website [www.BelvedereCoveFoundation.org](http://www.BelvedereCoveFoundation.org) and click the "Donate" button at the bottom of the Home page.

**Thank You for your continued support, we could not do it without you!**

On behalf of the full BCF Board, sending you all the best this season.

Sincerely,

David S. Walker  
President, The Belvedere Cove Foundation
