

2022 Report to our Sailing Community The Belvedere Cove Foundation

Dear Belvedere Cove Foundation Friends and Supporters,

As of mid-year 2022, The Belvedere Cove Foundation is participating in robust grant activity with many focused and hardworking Youth Sailors. We had a successful Spring Fundraiser for the Youth Sailing program. This year to date the Foundation has approved 28 qualified grants to individual sailors.

Our youngest sailors have advanced their early skills and the competitive sailors have raced locally, around the USA and in 5 foreign countries. To date this year, The Belvedere Cove Foundation has supported individual sailors in learn to sail programs, advanced clinics and regattas in a variety of dinghy classes including Optimists, ILCA 4/6/7, 29er, c420, i420 and 505. There have been several impressive finishes. BCF-supported sailor, Nicholas Sessions, finished second overall in the ILCA 7 at two different events - ILCA Midwinters West at Marina del Rey and the West Marine US Open Sailing Series - San Diego. Talia Hamlin, another BCF-supported youth sailor, recently won the U.S. Junior Women's Singlehanded Championship (Leiter Cup) in Marina del Rey, California, in the ILCA 6, after topping the U16 Women's Division in the ILCA 4 at the ILCA Youth Easter Meeting in Lake Garda, Italy. In addition, with the support of The Belvedere Cove Foundation, aspiring 2024 Paris Olympians Erika Reineke and Lucy Wilmot have continued their ambitious training and regatta campaign schedule through Portugal, Spain, France, Germany and Denmark.
